Dear Doug,

It is with great pleasure that I recommend you for entertainment purposes. We chose you at random for our company's annual Christmas party and it was money that was well spent! You had everyone's interest from the beginning and displayed a high degree of integrity and responsibility.

I also was impressed with your money back guarantee. You said if no-one laughed we didn't have to pay. Let me just say, we were all rolling.

Doug, you are someone we would definitely welcome back and/or recommend to anyone.

Sincerely,

Brenda Seago
Vice President
