To whom it may concern,

A number of years ago, my wife and I had the pleasure of meeting Mr. Doug Anderson. Doug married an acquaintance of ours who is in the entertainment business and we have gotten to know him over the past several years. Little did we know of his amazing talent. We have enjoyed his shows on several occasions and recently invited him to entertain at our company Christmas party.

I cannot say enough about Mr. Anderson, his magical skills, and his professionalism. After my initial inquiry and firming of dates and details, Mr. Anderson tailored his show to include many of our employees as participants. Prior to his show, he "worked the room", moving from table to table, sharing his "sleight of hand" talents with those in attendance. And, later, his show "wowed" the crowd. Many of our employees continue to ask us "how did he do that?"

Mr. Anderson took the time to develop the best show he could provide that would be personal and meaningful to the people in attendance. We have seen a number of magicians in our travels and we are truly impressed by Mr. Anderson's talent.

I highly recommend Mr. Doug Anderson if you are looking for entertainment. You will truly appreciate his skills and his personal commitment to making his show truly memorable.
